

Trust.

UltraShield®. IT'S THE ONE THAT REALLY WORKS.

Trust is earned over time through consistent performance. Millions of horse owners have come to trust UltraShield® over the years as the fly spray that always delivers rapid knock down and repellency when it really counts. They turn to the one-and-only famous black bottle because they know it's effective in the heat of battle against the toughest biting flies and other potentially deadly insects like ticks and mosquitoes that can carry infectious diseases.

UltraShield's unique formula contains the most advanced combination of three active ingredients, plus multiple sunscreens and skin conditioners making it unbeatable in the horse world. It's even gentle enough for use on dogs. **Trust UltraShield. It's not a promise...it's a guarantee.**
