Salty Solution

Dead Sea Salt, the key ingredient in MineralSoak, has been used for more than 2,000 years for human and horse therapeutic benefits. Apply soaking treatments directly to injured areas for faster recovery from hoof abscesses, navicular syndrome and other maladies.

Robed Equine

The EquiModa bathrobe for horses is constructed of white cotton terry and is designed to wick away water after a bath. Comparable to four large bath towels, the robe cleans easily in a washing machine.
