

Leather CPR®

breathes new life into leather –
and leather care sales!

Horse owners are raving about Leather CPR

*"Leather CPR is amazing! The squeeze bottle
makes my life so much easier."*

– Ann, Berkeley, CA

*"...the perfect cleaner for hard-to-clean,
nasty saddles. It soaks right in...
and gets the job done FAST –
without leaving the seat slick!"*

– Cody, Hanford, CA

*"Great product! Definitely restores dried,
cracked leather... making it soft and supple.
It's a 'must-have'...!"*

– Kathy, Orrtanna, PA

*"I HATE to clean tack! But Leather CPR is
so easy to use... and did not leave
the usual sticky residue."*

– Stacey, Lebanon, OR

The Leather CPR refillable Squeeze Bottle makes leather care faster and easier than ever

- Natural cleaners safely dissolve dirt in seconds – even on tooled leather
- Conditioners penetrate leather to soften and restore suppleness
- Non-staining, non-darkening
- Non-greasy
