

Waterproof. Canvas.

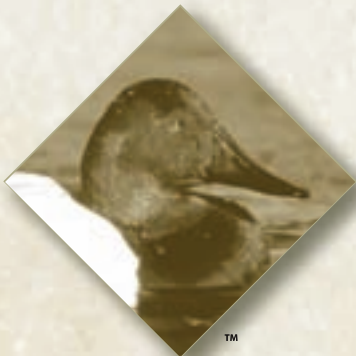

It's our way of stealing the thunder from the rain.

Introducing a line of jackets designed specifically for those of you who enjoy taunting the elements. Our extreme DDX technology combines a breathable fabric with an Extended Durability Teflon[®] coating for a waterproof canvas jacket that's also wind and stain resistant. It's comfortable and versatile. Not to mention a heck of lot more reliable than your local forecast.

Visit us online at dridaytraders.com
or call 1-866-852-8222.

And discover what work wear should be.
