

ONLINE RESOURCES

Information

The Internet features numerous Web sites dedicated to the barefoot horse movement. Here's a few to get you and your customers started.

Hoofrehab.com—

Home site for Pete Ramey, one of the country's foremost spokesmen for the barefoot movement.

Hopeforsoundness.com—Offers information and products that can assist with improving the overall soundness and performance of horses.

Naturalhorsetrim.com—Gretchen Fathauer offers a plethora of research and experience statements.

Tribeequus.com—Devoted to information on natural hoofcare.

Barefoothorse.com—A voice for the experience and observations of several dozen barefoot-horse colleagues.

Equinepodiatry.net—Explores the new science of Applied Equine Podiatry and Natural Performance Hoof Care.

Products

Product Web sites highlight statistics, features, benefits, articles, press releases and even expert blogs.

Easycareinc.com—Manufacturer of the Easyboot styles. Thorough and solid information.

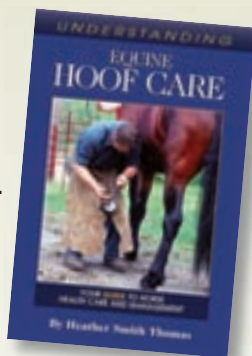

Cavallo-inc.com—Manufacturer of the Simple Boot styles. Comprehensive and reliable source.

Strideequus.com—Manufacturer of the Supergrip Horse Hoof Boots. "Mercedes of Horse Boots."

PRODUCT RESOURCES

Understanding Equine Hoof Care—Thoroughly examines both traditional and nontraditional hoof care practices. Eclipse Press.

Horse Owners Guide to Natural Hoof Care (Second Edition)—The hows and whys of natural hoof care are examined through words and images. Star Ridge Publishing.

Making Natural Hoof Care Work for You—A hands-on manual of natural hoof care for all breeds of horses and all equestrian disciplines. Star Ridge Publishing.

Maximum Hoof Power—A Horseowner's Guide to Shoeing and Soundness—Veteran horse topic authors Cherry Hill and Richard Klimesh offer a complete look at all sides of hoof care. Howell Books.
