

The Women's Emblem Hoodie from **Ariat** is cotton fleece and features kangaroo pockets, frayed edges and Ariat crest. The company's apparel is designed to meet the demands of riders at every level, with technically advanced fabrics and construction that go into making clothes for the show ring or everyday use.

This soft, fitted 100-percent cotton T-shirt from **Joules LTD** takes its styling from racing. A sporty diagonal crème stripe, appliquéd 3 and Joules script in contrast stitching make this shirt stand out. Available in jet blue or canary. Joules offers products that incorporate high fashion with practicality. The collection has a fresh look that suits the country lifestyle.
