

The Chapless Sock from Serendipity Equestrian is a knee-length sock that can be used as an alternative to tall boots and chaps. The sock slips on easily but doesn't slip down. A sleek, faux-leather calf grips saddle without bulk or stiffness, while a cool cotton foot keeps foot dry. It also makes a perfect liner for stretched-out chaps or tall boots.

CJ Jeans were designed by a world champion equestrian just for women that want fashion and function in the saddle. The jeans feature comfort-weave fabric and side seams that shape to women's curves. The curved waistband keeps the jeans from gaping in the back. Interior knee pads add extra comfort and grip. These jeans are available in sizes 2-22 and come in regular (33-inch) and long (35-inch) inseam.
